Dear Richard

**Proposed Enhancements to The Institute of Internal Auditors 'International Professional Practices Framework'**

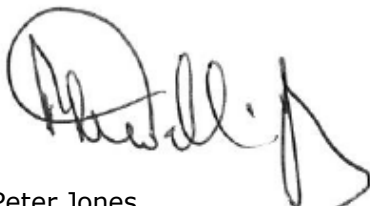

The Institute of Internal Auditors–Australia (IIA–Australia) supports periodic review and improvement of the 'International Professional Practices Framework' (IPPF) to ensure it remains contemporary best practice in the field of internal auditing.

The IIA–Australia has supported IIA–Global by publicising the exposure draft and lobbying our Members to complete the online survey.

The IIA–Australia generally supports the exposure draft and believes it to be well-researched and well-written.

We have no further comments.

Yours sincerely

Peter Jones  
Chief Executive Officer
